

Public Service Loan Forgiveness (PSLF)

Public Service Loan Forgiveness (PSLF) is a federal program created for those in public service jobs, offering the opportunity to have your federal loan balances forgiven after 10 years and 120 qualifying payments. Tax free!

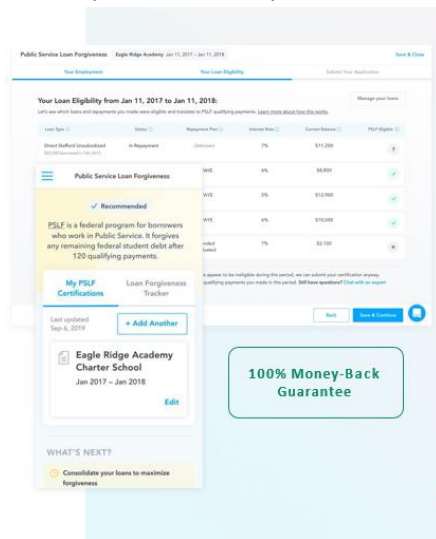

Taking advantage of the PSLF program has been confusing and frustrating. That's why Fidelity is providing a new offering aimed at streamlining and automating the process—reducing stress with resources that may help increase financial well-being and confidence.
