PRIOR SERVICE PURCHASE REQUESTS

POINTS TO CONSIDER

Transferring funds from the 401(k) Shared Savings Plan to purchase prior service credit may result in a smaller retirement benefit than if you left the funds in the Plan.

Transfers to purchase prior service credit can only be made from contributions you have made, direct rollovers from other plans, and earnings on these amounts. You can check the amount that you have available for transfer in your 401(k) Shared Savings Plan by contacting Fidelity either by phone at 800-343-0860, or online at <http://netbenefits.com/ventura>. The amount transferred cannot include matching contributions made by the County or the earnings on those contributions.

The amount transferred cannot exceed the balance available in the sources specified above or the actual cost of the prior service purchase, whichever is less.

The transfer may take up to four weeks, during which time your funds will not incur gains or losses based on the performance of your 401(k) investment elections. The Deferred Compensation Program will make every effort to have your funds deposited in a timely manner but cannot guarantee a deposit date.

This transfer is not considered a taxable distribution from your 401(k) Shared Savings Plan. Once funds are transferred from the 401(k) Shared Savings Plan, they are no longer eligible for consideration in determining the amount available for loans or hardship withdrawals taken against your 401(k) account. Contact your financial or tax advisor for questions regarding possible consequences of this rollover.

If you are requesting a transfer to a plan other than VCERA, verify the plan's contact person and address information to ensure prompt and accurate delivery of the transfer. Incomplete information may result in delays in the deposit of funds. Be sure the contact person's name and address are listed on the documentation you provide.

Deposits to member accounts made pursuant to this agreement shall be in accordance with the rules and regulations of VCERA, or the applicable rules and regulations of any qualified retirement plan to which this transfer is to be made.

If you have questions regarding your VCERA account, contact them at 805/339-4250. For questions on the 401(k) Shared Savings Plan or the transfer process, call the Deferred Compensation Program at 805/654-2620 or e-mail Deferred.Compensation@ventura.org.
