As your onsite resource, I will maintain office hours at the Government Center Hall of Administration and also visit other County locations to address any questions you may have about your retirement planning needs. Whether you're just starting out or nearing retirement, I'm ready to help you address many questions, including:

- Am I investing properly?
- Am I on track with my retirement savings?
- How do I bring my retirement savings together?
- How do I turn retirement savings into ongoing, steady income?

I will also provide a variety of resources, including:

- **Help Desks:** Get answers to your questions quickly, easily and in-person. *No appointment is necessary.*
- **Workshops:** Live workshops are interactive and offer topics such as debt management and retirement income planning.
- **Complimentary One-on-One Consultations:** Meet with me in-person or virtually to address your financial questions. These consultations are complimentary as a Ventura County employee benefit. *Appointments are required*, so I encourage you to schedule a time that's convenient for you by calling **800.642.7131** or online at [www.fidelity.com/schedule](http://www.fidelity.com/schedule).
