JOIN US FOR Using Credit Cards Responsibly

In this workshop, you'll explore the essentials of credit cards—when they're needed, how credit card usage is changing, and key terms to know. You'll learn how to read the Schumer box, which highlights important card details, and understand how credit card companies make money. We'll also discuss the benefits of using credit cards, offer tips for managing payments, and explain the risks involved, including how credit card use impacts your credit score. Finally, we'll go over the warning signs of debt to help you maintain control of your finances.
